**PETITION UNDER 37 C.F.R. § 1.137(b) FOR REVIVAL OF AN
UNINTENTIONALLY ABANDONED INTERNATIONAL APPLICATION FOR
PATENT DESIGNATING THE U.S.**

Sir:

The above-identified application became abandoned as to the United States because the fees and document required by 35 U.S. 371(c) were not filed prior to the expiration of the time set in § 37 C.F.R. 1.494(b) or (c) or 1.495(b) or (c) as applicable. The date of abandonment is the day after the date on which the 35 U.S.C. 371 (c) requirements were due. (See 37 C.F.R. 1.494(g) OR 1.495(h.)) This Petition is being filed within one (1) year of the date of abandonment.

The Commissioner is hereby authorized to charge the petition fee due under § 1.17(m) in the amount of \$ 1,240.00 (and to deduct any deficiencies or to credit any overpayments) to

Deposit Account No. **13-4500**, Order No. 5000-4943. A duplicate copy of this petition is enclosed. The proper reply, which is the U.S. National Phase Application, is also enclosed herewith.

Since the international application has an international filing date on or after June 8, 1995, no terminal disclaimer is required.

STATEMENT

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under § 37 C.F.R. 1.137(b) was unintentional. Briefly, the National Phase Application was deposited with the United States Post Office on August 17, 2001. A copy of the Express Mail Label with the date stamped thereon, is attached. However, due to clerical error, the Express Mail label was addressed incorrectly, with the addressee and sender information inadvertently reversed, resulting in the return of the envelope to Morgan & Finnegan, and the unintentional abandonment of the application. Applicant hereby respectfully petitions for revival of this application.

Respectfully submitted,

MORGAN & FINNEGAN, L.L.P.
